# CALL FOR PAPERS

## 3rd Ybl Conference on the Built Environment

TOPIC: SUSTAINABLE BUILT ENVIRONMENT

Budapest, May 16, 2025

We are delighted to invite you to the 3rd Ybl Conference on the Built Environment, an international academic event focusing on the theme of Sustainable Built Environment. This conference aims to provide a platform for architects, engineers, urban developers, and sustainability experts to share their latest research findings, innovative solutions, and practical strategies.

### Location:

Óbuda University, Ybl Miklós Faculty of Architecture and Civil Engineering, Budapest, 1146 Thököly út 74.

### Organizers:

**Dr. Viktória Sugár** vice rector for sustainability and strategic development,

**Dr. Zsuzsanna Fácányi** vice dean for research,

**Dorottya Hargitai** member of the organizing committee

### Conference Topics:

We welcome presentations on (but not limited to) the following topics:

- Climate-adaptive architectural solutions
- Sustainable urban infrastructure
- Environmentally conscious urban planning
- Innovative construction materials and technologies
- Sustainable architecture, ESG, Building and urban energy
- Recycling and circular economy in construction
- Sustainable management of cultural heritage
- Parametric and AI architecture for sustainability
- New methods in the construction industry education of the future generation
- ÉDT-DI introduction - doctoral student section
- Environmentally conscious design

### Language:

Presentations and posters: English or Hungarian

**Participation is free for both speakers and visitors, but registration is required.**

### Submission and Abstract Guidelines:

Submission and abstract guidelines: to participate, please submit an abstract of your presentation using the template provided ([link](#)) to:

[hargitai.dorottya@uni-obuda.hu](mailto:hargitai.dorottya@uni-obuda.hu)

### Important Deadlines:

- Abstract submission: March 7, 2025

- Notification of acceptance: March 17, 2025

### Publication Opportunities:

All accepted abstracts will be published in the online **Conference Proceedings** with ISBN number. Our authors will have the opportunity to publish full papers in scientific journals (in English and Hungarian), following a review process. The complete list of the journals will be shared on the website later.
